SEP 24 2001
Technology Center 2100

Assistant Commissioner of Patents
Washington, D.C. 20231

We submit copies of the documents listed on the attached PTO-1449 for the Examiner to consider and indicate that they were considered by making appropriate notations on the PTO-1449.

This information disclosure statement is being filed before the mailing date of a first Office Action on the merits for this application. Copies of the listed documents are attached.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicant determines that the cited documents do not constitute "prior art" under United States law, applicant reserves the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Docket No. 003636.0108US

PATENT APPLICATION

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Please charge any fees due in connection with the filing of this statement or credit any overpayments to our Deposit Account No. 50-1656.

Respectfully submitted,

Date: September 20, 2001
